## Important Warrant Article Information

**American Red Cross-** Article 3- This agency responds in times of emergency and supports families as they seek to restore peacefulness to their lives in cases of fire, flood, and winter storm. The Red Cross also trains area residents in CPR and First Aid.

**Children Unlimited, Inc.** –Article 4- This agency provides services for developmental evaluations, speech/language therapy, physical therapy, family support, and counseling.

**White Mountain Community Health Center-** Article 5- This agency provides medical care for underinsured and uninsured Chatham residents. This year they provided services for 32 Chatham residents.

**Northern Human Services-** Article 6- Formerly known as Carroll County Mental Health, this agency provides mental health coverage for Carroll County residents. The funds they receive from us help them cover the costs incurred by residents that can not afford to pay for services themselves. They provided services for 7 Chatham residents.

**Saco Valley Fire Association-** Articles 7A & 7B- This agency provides fire protection services for the Town of Chatham.

**Fryeburg Rescue-** Articles 8A & 8B- This agency provides emergency coverage for the Town of Chatham. Their request is based on the amount of runs made to Chatham.

**Lovell Recreation Department-**Article 9- This program provides children living in Chatham with the opportunity to participate in sport activities. The Department offers 31 programs and 57 Chatham residents participated.

**Tri- County Community Action** – Article 10- This agency was contacted 148 times by residents of Chatham. They provide fuel, food, and emergency housing. They spent \$ 22,662 on Chatham residents.

**Eastern Slope Airport Authority** – Article 11- The airport is located in Fryeburg Maine. The funds are used for operation and maintenance costs. It costs approximately \$100,000 per year to operate the airport. 15 % of the cost comes from Town contributions.

**CASA-** Article 12. Court Appointed Special Advocates for children would like our support. They provide services for abused and neglected children in our area.

**Charlotte Hobbs Memorial Library of Lovell-** Article 13. - In 2007, 28 Chatham residents held library cards. Chatham patrons checked out 1,514 items. A fair number of residents attended various programs. These services were provided free of charge.

**Brownfield Food Pantry-** Article 14. -The Food Pantry has helped provide food for 5 families per month from the Town of Chatham. The estimated cost to provide food for these families is \$650.00. They are requesting \$ 325.00.

**Tri-County CAP- North County Transit-** Article 15.- This organization will provide transportation services to residents in surrounding areas to medical appointments, hairdressers, grocery stores, social events, senior meals and employment. It did not list Chatham as one of the towns that they would be providing transportation for.

**Town of Chatham  
2007  
Solid Waste and Recycling Committee Report**

The Town of Chatham entered into a 5 year contract with the Town of Lovell for our Solid waste and recycling. So far so good. We have experienced very few issues. The general feeling is that this is a win - win situation for both towns. At town meeting last March we established a Solid waste and recycling committee, which met three times in 2007. We have started a Handbook consisting of design guidelines, laws and regulations, meeting notes and minutes. A file of all research that was done prior to negotiations with the towns is at the town office. The committee has worked through a few issues and has charged itself to design and have in place a plan if or when we need to go on our own for solid waste and recycling.

We are at a point of gathering real time data of waste hauled across the scales of the Mid-Maine Waste Action Corporation, a waste to energy facility in Auburn, Maine. From April of 2007 through end of December we put 69.12 tons of trash across the scales. With these figures we are projecting less than 100 tons per year of solid waste. Nice job by all. This information, as it continues to compile, will give us exact amounts of waste to help determine any future designs. The Town of Fryeburg sent us a bill of \$1,229.82 for the first quarter of 2007. The selectman reviewed what we had paid Fryeburg and compared it to the Town of Fryeburg spread sheets posted on their web site and felt we were over charged as per our contract that we had in place in 1994 of 5% net cost. Therefore we sent a letter stating this and the fact we had over paid \$12,676.34 in the last three years. Fryeburg sent us a check for the balance of \$11,446.52. This is noted in the town's source of income. I see us meeting at least twice in 2008. I want to thank all the members of this committee, Bill Briggs, Ron Briggs, Susan Crowley, Scott Leach, Wayne McAllister, and Trish Pitman. If anyone has any concerns, comments or questions you can contact me at 694-3313, or the town office 694-2043

New windshield stickers are available from the town office if you do not already have one.

TO THE RESIDENTS OF CHATHAM:

The year, 2007, proved to be quite a challenge road-wise. Just when things seemed quiet, winter rushed in again with April snow storms. Then on Patriots Day, we got the full monte: 4 inches of snow and then a quick change to heavy rain.

The ditches filled under snow cover, the snow became saturated causing it to collapse into the ditches forcing the water out onto the roadway. This caused severe washouts to four of our roads. A culvert on Little Chatham Road managed somehow to become plugged by a stone which caused the water to head 'south' down the road. The plugged culvert caused about \$30,000 worth of damage to that section of road alone. Many other towns suffered extensive damage to their roads during the same storm. Madison, NH, lost 70% of their road system.

The federal government, through the FEMA agency, came to our rescue. The FEMA agent understood our plight and reimbursed Chatham with over \$50,000. This money was used to rebuild washed out roads, fix existing roads, improve ditches and drainage, & replace some smaller culverts with larger ones.

For all that is said and done FEMA was quite helpful, generous, and professional which was rather refreshing, actually. December is now but a memory with lots of snow, but we made it through the year with money left over!

I want to thank all of the people who have helped out - I do appreciate it. I am now up for re-election and would certainly like your support so that I may continue to serve you.

Thanks,

  
MEL CHERRY

2008 is the year to keep an eye on and follow the progress of the NH Transportation Plan. The recommended projects in the highway and bridge plan can be accomplished with existing revenue from the state gasoline tax, bonds and matching federal funds. The Executive Council held public hearings on the projects throughout the state and forwarded their recommendations to Governor Lynch. Governor Lynch will review our recommendations and then submit his recommended plan to the NH House and Senate by January 15<sup>th</sup>, 2008. Without any new revenues for additional projects we will be lucky to maintain the existing state highway and bridge system. If more work is desired than new revenues will have to be voted by the Members of the House and Senate and signed by the Governor. Contact your local legislators- House and Senate. Find them by going to [www.nh.gov](http://www.nh.gov)

This large northern district needs more people on state mandated volunteer boards and commissions. Send your letter of interest and resume to my office, or to Kathy Goode, Director of Appointments/Liaison to the Council, Governor's Office, State House, 107 North Main Street, Concord, NH 03301. Tel. (603) 271-2121. To find out what openings are available and to see a list of boards, visit the NH Secretary of State website at [www.sos.nh.gov/redbook/index/htm](http://www.sos.nh.gov/redbook/index/htm).

I have available from my office informational items about the NH Executive Council, NH Constitution, NH Tourist Map, 2007 Consumer Handbook, and District Maps. IF you would like to receive my Monday morning report by e-mail please send an e-mail address to [rburton@nh.gov](mailto:rburton@nh.gov).

It is an honor to continue to serve you in my now 30 years as a public servant. Contact my office anytime about your ideas, concerns and problems with state government. I respond to all inquiries and challenges.

Sincerely,

## Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or [www.des.state.nh.us](http://www.des.state.nh.us) for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdfi.org](http://www.nhdfi.org).

Fire activity was very busy during the spring of the 2007, particularly late April into early May. As the forests and fields greened up in later May the fire danger decreased. However, a very dry late summer created very high fire danger again from August into September, with fire danger reaching very high on Labor Day weekend. Even with the dry conditions, the acreage burned was less than half that of 2006. The largest forest fire during the 2007 season burned approximately 26 acres on the side of Wantastiquet Mountain in Chesterfield during the month of May. Our statewide system of 16 fire lookout towers is credited with keeping most fires small and saving several structures this season due to their quick and accurate spotting capabilities. Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2007 season threatened structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

## CHATHAM HISTORICAL SOCIETY

Founded in 1989, the Society has grown from about 20 members to nearly 120. It planned and dedicated the Veteran's Memorial on the Town House lawn in 1990, finished off the basement of the Center Schoolhouse for a Museum Room a couple years later, raised funds to paint the building and established a special account in the Towns Trust Fund for future maintenance and/or repairs.

Meetings are held monthly April through November with usually a guest speaker locally or a program through the N H Humanities Council. These programs are free to the public.

A Newsletter of 8 pages is sent to all members quarterly featuring articles submitted by members, photos, family genealogy, etc. Members are encouraged to share their memories and happenings of the area. "Chatham Times--Past and Present " keeps members up to date on Society news as well as news from the past.

The Society is actively seeking any photos, documents, deeds, etc. of the area. Photo copies are fine as the information is most important. Many things can be copied in house. If you have such material would you please share it? Currently we have several scrapbooks, some articles dating back to 1895, over 1900 photos, annual town reports, family genealogies, cemetery records, vital records, and area town histories in our collections. You are invited to drop in for a visit--to browse or do research.

As fund raisers the Society offers for sale several items for sale featuring the copyrighted Chatham logo on t-shirts, sweatshirts, caps, mugs, totebags, and a coverlet.

Membership dues are \$6.00 per year per member or Life membership for \$100. Our Museum Room is open every wednesday afternoon (weather permitting) from 1 to 4:30 PM or by special appointment. Call Wednesday afternoon at 603-694-2099 or my home at 603-694-3623.

## CHATHAM COMMUNITY LIBRARY

This library was established in 1912 in Stow and soon Chatham residents were invited to join. For several years books were kept in long boxes and shifted from house to house as space was available. It was housed in Chatham's Town House, Center School, Eastman School and several homes.

When Eastman School closed books were kept there for a few years and was supplemented by the N H Bookmobile ----and when Eastman School was sold and the Center School was available (it closed in June of 1968) the Library was granted permission to move the books there in 1970-71. Since then the Library has grown tremendously primarily by generous donations of books and community support. Many fund raisers have been held over the years for supplies. The Town of Chatham generously pays for heat and lights.

The Library is totally dependent on volunteers, donations of books and the support of the area. All area residents are welcome to use the Library. Please drop in and see for yourself what a great selection of books we offer. There is an on going book sale of surplus books. The Library is open every Wednesday afternoon (weather permitting) from 1 to 4:30 PM. With more interest hours could be expanded. My home phone is 603-694-3623. Feel free to call.
